

## HAT TRICK BY DORSETT HOSPITALITY INTERNATIONAL

Most recently Dorsett Hospitality International scored a hat trick at the Travel & Leisure 2015 Travel Award presentation held in Shanghai.

The group was accorded the “Best Progressive Hotel Group” award while Dorsett Grand Chengdu, China was endorsed as the “Best MICE Hotel” in the award ceremony. A surprising win was Dorsett Shepherds Bush, London which was acknowledged as one of the Top Overseas Hotels trending in the same league as Mandarin Oriental Barcelona, Bvlgari Hotel & Resorts Bali and Amari Hua Hin to name a few.

Travel & Leisure, a top bi-lingual publication in China is widely recognised as a leading authority on travel and tourism trend. Each year, readers are asked to cast their votes for travel destinations, hotels, airlines, restaurants and bars, golf courses and cruises that represent the best in class in the industry; with both online and offline results tabulated by an independent panel of judges.

"We are very proud to receive these prestigious awards from a respected publication such as Travel & Leisure. To walk away with 3 awards in one ceremony is the best achievement to-date and a true endorsement of our service philosophy of providing Asian inspired hospitality to the world. Our business strategy is focused towards pursuing the Chinese/Asian wallet and I believe we are on the right track as proven by this recent endorsement," said Winnie Chiu, president and executive director of Dorsett Hospitality International.
